

Conditions The Model Experience (workshop for starting models)

People are eligible for a workshop after the candidate has registered through our website www.models-inc-int.nl or www.themodelexperience.nl. Hereinafter referred to as; Student.

The purpose of The Model Experience is to give an environment and an experiential learning to the student who wants to set foot in the modeling world. Mainly the workshop is focused on learning how to walk the catwalk. However, there are so many facets of properties for success as an all-round model such as; posture improvement, expression, running technique and a piece of startup knowledge. The participants are also, after the portfolio delivery, included in the models file. Obviously this does not guarantee work. Possible jobs will also depend on the ability, ambition and further future commitment of the student.

Costs

The total workshop costs are €174,00, consisting of:

- Rent workshop location
- Briefing and introduction modelingwork
- Catwalk training & Posture enhancement
- Lunch
- Make-up workshop
- Fotoshoot
- 5 edited photo's for the benefit of a setcard & Model profile
- Online model profile (Piece of own website)
- Registration trial for 12 months

Payment obligation & presence obligation

The Student will meet the workshop cost, by means of bank transfer, before start of the workshop at the latest 48 hours before the start of the workshop. If the student has met the registration payment they will receive a briefing with payment-confirmation and details of the workshop. The student at the time of definitive registration is required to attend the workshop.

Students are aware that a presence obligation applies. Following a registration-payment, the student is registered and insured of his/her spot, following this the agency makes costs for the student by means of payment to room hire, lunch, makeup, catwalk coach & photographer. In case of non fulfillment of the presence obligation no workshop fee is restituted.

If the student is not present (no show) during the workshop, he/she is contrary to the rules of The Model Experience and the general terms and conditions of the Agency. In case of a no show, the student will receive the amount of registration fee back of €25,-euro per bank transfer and he/she will not be included in the models file.

In case of illness of the student at the time of the training, or other conditions of private nature, the student is not able to be present at the appointed time at the agreed location, force majeure is to be proved then the student receives the opportunity, free of charge, to follow a new workshop at a later time.
